You ARE NOT Junk!

YOU'RE NOT JUNK

What were once subject lines from a spammy junk-mailer, now present themselves as poetry in a most eloquent manner.

In one font the junk-mailer, the other words my own, together they make art in an entirely new form.

neither steep
nor shallow thoughts inside
combine pencil,
blood, sweat, tears and cries.
dish between,
straight through I confide.
sort enthusiastic,
deepened by the stride.
someone low. think through,
no dread.
encourage telephone talk,
it must be said.
impression come up.
depression be bound.
shout politics!
to the world confound.
post-turnout,
pre-burnout: it's not time to ride.
wrong! over less,
do we choose ourselves to hide?
neither typical flow
or to the bottom we go.
run out! shock! die!
it is the only way to know.
bet truth,
gamble fate, don't await destiny.
serious suit.
fancy shoes. time to not flee.
beside control (lucky draw),
hands on the stick.
hold up!
now pull back, to the sky our planes go!
range
until space is closing we know,
characteristic
for us is to no longer float with the flow.

Rules won't work on messages that end up in the junk mail folder - they only work on messages in your inbox. Did you put domains on the safe .... File button on each list page of the Junk E-mail Options dialog box allows you ... turns up in the Junk E-mail folder, you need to mark it as legitimate (not junk) .... Not anymore.
